

MEDIATION APPLICATION

Mediation is a confidential process that can help people in conflict work collaboratively to find doable and durable solutions that work for both parties. Effectively resolving disputes reduces or eliminates the stress produced from living in conflict. Mediation is a cost effective alternative to the legal system and allows for both parties to have a say in the resolution.

Relationship to Party 1: _____

Case Schedule:

- ◆ This application and a \$200 non-refundable deposit are required to open your case and determine an appropriate case schedule.
- ◆ A variety of services are available to you depending on your case. Do-it-yourself court case coaching, paperwork administration, in-person mediation between parties, and remote mediation between parties are all available depending on the needs to your case.
- ◆ Details regarding full fees for your case, timeline, and services will be detailed in a separate Case Schedule Document. The Case Schedule Document will be furnished once these details are established and agreed upon by Party 1 or collaborated on by both parties.
- ◆ Mediation is a business approach to emotional issues with an emphasis on problem solving. This is not the easy road, but it can be the most effective road, and is required prior to bringing family cases or small claims cases before the court in certain counties.

Party 1 Agreement to Mediate:

- ◆ I agree to enter into this mediation in good faith by sincerely attempting resolution.
- ◆ I understand this is a voluntary process.
- ◆ I understand the case opening fee is non-refundable. Once my case schedule is determined, full case fees will be detailed in a separate document specific to my case.
- ◆ I agree to pay the fees as described above unless otherwise stated in writing.
